

## Application for Pipeline New or Existing

Page 1 of 2

There is a **Nonrefundable \$600.00** application fee for review of this application.

Agreement Holder Information:				
Name of Agreement Holder:	Phone No:			
Email Address:	Contact Nam	e & Phone No:		
Corporation (if any): State in which incorporated:		h incorporated:		
Complete Business Address (if different from below):				
Complete Billing Address & Phone Number:				
If not a corporation, name(s) of owners or partners:				
Applicant Reference No (if any):				
Pipeline Product Information:				
Application For (choose one):  O Pipeline Crossing O Pipeline parallel to track O Both				
Product to be handled in pipeline:				
Location Information:				
Name of nearest city or town:	County:	State:		
Distance and direction from nearest Railroad milepost:				
Quarter Section, Section, Township, Range:				
Distance in feet measured along the track from the point pipe crosses the track (main track or more than one track) to known point on				
Railroad (centerline of road crossing, center of railroad culvert, east or west end of a railroad bridge, points of a railroad switch):				
If a transfer of an existing Agreement, please provide current Agreement No.:				
Angle pipe will make with track at the point of crossing:				
Distance from centerline of nearest track if a parallel pipeline	encroachment:			
Is crossing within a public road right of way? O Yes O No	If Yes:			
Name of road: Right of way width feet			_ feet	
US Dept. of Transportation Railroad Crossing No.:				
Total length of pipeline on railroad right of way:				
Carrier Pipe Information:				
Inside Diameter:	Wall Thickne	Wall Thickness:		
Pine material:	Material spec	Material specification(s):		

Psi

O Yes

O No

Coating:

Working pressure:

Cathodic protection provided?
